Explain what you will do if you do NOT receive funding from OU PoliSci:

*Important Notice: All awards received are taxable as income.*

With your signature, you agree to the following terms and conditions. The Department reserves the right to request you to return your funds if they are not used for the stated purposes. If funding is approved, grant checks are issued 3-4 weeks after your approval letter is sent to you. If you are in the University's payroll system, the check may be issued electronically. If your check is mailed in hard copy, it will be sent to your address on file with the University. Please be sure your active address on file with the University is correct and is where you would like your check mailed.

**Awardees are encouraged to provide the Department with feedback through social media reflecting on their purchases—including, but not limited to, what purchases you made and how these reduced your hardship.** Please mention @OUPoliSci on Facebook or Twitter and tag #enrichmentfellow.

**IMPORTANT:** *Students who feel uncomfortable sharing information about their hardship and purchases WILL NOT be required to post to social media. However, students are advised to visit the Department to share their experience with Dr. Szymanski, to help future award committees understand the private needs and struggles of our students.*

Your interactions on social media and with the Department help us spread the word about our goals to help our financially burdened students without the limitations of academic merit (GPA) or résumé qualifications.
