Explain what you will do if you do NOT receive funding from OU PoliSci:

Important Notice: All awards received are taxable as income.

With your signature, you agree to the following terms and conditions. The Department reserves the right to request you to return your funds if they are not used for the stated purposes. If funding is approved, grant checks are issued 3-4 weeks after your approval letter is sent to you. If you are in the University's payroll system, the check may be issued electronically. If your check is mailed in hard copy, it will be sent to your address on file with the University. Please be sure your active address on file with the University is correct and is where you would like your check mailed.

Awardees are encouraged to provide the Department with feedback through social media reflecting on their experience—including, but not limited to, why your award helped you and how your internship has enhanced your understanding of political science. Please mention @OUPoliSci on Facebook or Twitter and tag #internfellowpsc.

Your interactions on social media help us spread the word about our goals to help our financially burdened students without the limitations of academic merit (GPA) or résumé qualifications.
